“WE BELIEVE EVERYONE DESERVES A CHANCE TO PLAY BASEBALL!”

**WHAT IS THE MIRACLE LEAGUE?
IT'S HOPE, DETERMINATION AND
A DISPLAY OF HUMAN SPIRIT
THAT IS UNEQUALED. AND OF
COURSE...THERE'S BASEBALL!**

There is something about playing the game that lights up a youngster's eyes. But for children facing serious physical and mental disabilities that opportunity can often be difficult to achieve. Baseball diamonds weren't exactly designed with wheelchairs and crutches in mind.

The Miracle League removes the barriers that keep children and adults with mental and physical disabilities off the baseball field, and lets them experience the joy of America's favorite pastime. Since the main barriers for these people arise from the natural grass fields used in conventional leagues, Miracle League teams play on a custom designed, synthetic turf field that accommodates wheelchairs and other assistive devices while helping to prevent injuries

But it's more than playing a game. The Miracle League is about making friends, building self-esteem and being treated just like everyone else. To help the athletes, The Miracle League uses a "buddy" system - pairing each player with a typical peer. The result is a bond that cannot be described. The Miracle League serves children and young adults of all ages, who have physical or mental disabilities, that causes them to be excluded - intentionally or not- from conventional baseball leagues.

According to the 2000 Census Bureau, there are approximately 9 million children in our country who have disabilities.

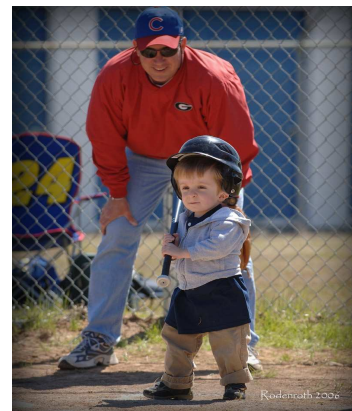

The first Miracle League field opened in Conyers, Georgia in April 2000. Word spread and by 2002, fields opened in South Carolina, Alabama, West Virginia, Chicago and California. As of April 2009, there are 225 Miracle League organizations across the country including Canada and Puerto Rico. We presently have 47 completed rubberized turf fields and an additional 79 fields are under some phase of construction, with another 30 plus groundbreaking scheduled. We are presently serving approximately 100,000 plus children and young adults. The Miracle League has an aggressive plan to help local communities build Miracle League complexes around the globe. Upon building our first 500 complexes we will be able to serve 1.3 million children with disabilities. And then these 500 fields become 800, then 1400 until every community that has a youth sports program will offer a Miracle League within its sports opportunities. Our goal is to raise approximately \$500,000.00 per complex.

OUR PLAYERS MAY NOT BE ABLE TO RUN THE BASES OR HIT THE BALL AS WELL AS THEIR TYPICAL FRIENDS, BUT THEY HAVE AN INCREDIBLE AMOUNT OF DETERMINATION TO PLAY BASEBALL. WE WANT TO HELP THEM ACHIEVE THAT DREAM!

There are experiences that change the way we look at life, the way we pursue our dreams, and the way we live our lives. The Miracle league is one of these experiences.
