*Students will keep most of their items for their personal use. Teachers will take extra items such as extra crayons, colored pencils, etc. and keep them in a storage bag labeled with the child's name. Students will be able to get their items out of "storage" as they are needed. The teacher for classroom use will collect items such as tissues, paper towels, etc.

**All students will need a backpack. Please no wheels-they will not fit into the lockers.

**Please stick to the specific name brands listed in bold print. Although they may be a little more expensive, they will last much longer and will not need to be replaced as easily.
