

## Who are the Boosters?

The Madison Mohawk Booster Club is an organization of community members providing financial, material and emotional support for the students of the Madison Local School District.

Through the support of the community, we have recently been able to help the Madison Athletic Department to purchase new uniforms and equipment, resurface the track, replace the high jump pit and enhance the Varsity baseball diamond.

The boosters also sponsor Athletic awards including Student Athlete of the month, outstanding and dedicated Senior Athlete awards, as well as sponsoring annual scholarships for graduating seniors, which totaled \$4,000 in 2010.

The Madison Mohawk Booster Club has contributed over \$70,000 since the implementation of the "pay to participate" fees to help reduce these costs for Madison Students as well as pay fees for students who otherwise would not be able to participate.

All of these sponsorships could not have been done without the support of our community, local businesses and people like **YOU!**

Thank you for participating in our membership drive, fundraisers, attending our sports events, concession stands and purchasing our spirit wear.

It's great to be a MOHAWK!
