Re: Open House and Orientation meetings

We are anxious to welcome everyone back for an exciting and historic new school year. With the opening of the new elementary school, all Madison grade levels will be housed under one roof. We are very excited for our students and staff to be able to work together and enjoy our new "state of the art" facilities. We have been working hard to get everything ready for the start of school and wanted to invite everyone to our Open House and Orientation meetings. We have attempted to schedule these meetings to allow families with students in both wings to be able to attend all desired sessions. Please find the sessions of interest below and mark your calendars! Enjoy the remainder of the summer and see you soon!
